<h1>Welcome to My Travel Page</h1>
<hr>
<p>This is my <b>first travel website</b>. I want to share some <i>places</i> that people like.
Travelling is <u>fun</u> but also can be <del>expensive</del>.</p>
<hr>
<p>Here you will see destinations, packages and some details.When people travel, they see new places, meet new people and also enjoy different food. On this website I put some of the famous destinations like Delhi, Goa, Lucknow and others. I also added a small list of things that are important to carry like passport, clothes and camera, because many times people forget simple items. There is also a table that shows travel packages with price and duration, so it is easy to see and compare. I added some links to go to other pages or websites, and some pictures to make it look more real. </p>
